SANGLAP HALDER

ELECTRONICS AND COMMUNICATION ENGINEERING STUDENT

ABOUT

I'm Sanglap Halder, currently studying Electronics and Communication Engineering at Jalpaiguri Government Engineering College. My academic journey revolves around Coding, Web development, UI/UX Design and Graphics Design where each project is a chance to innovate and solve problems creatively. Outside academics, I actively network with peers, alumni, and professionals, seeking collaborations and new experiences. My goal is to apply my skills to real-world challenges, always eager to learn and contribute meaningfully.
